Who is this course for?

If you have a passion for workplace culture and helping to build innovative work environments.

During this business course you will learn how to develop and use your emotional intelligence while establishing innovative work environments and facilitating continuous improvement in the organisation.

Here's what one of our students thinks...

"Completing this qualification has made me a lot more confident. When I am at work and people question me about the HR and organisation processes I have put in place, I can back myself up as I have all the knowledge behind me now.

I recommend anyone working with such a wide range and variety of people to get this course completed."

Simone Blackmore
