Who is this course for?

Experienced Leading Hands, Supervisors and Foreman.

This course is for you. Your course is designed around your work roles and what you do every day, as well as to fit in around your busy work/home life. It will be easy for you to complete this course and get certifications with full support from your Trainers and Completion Coach.

Where can this course take you?

Secure a job as a Leading Hand, Supervisor or Foreman on a major project using the skills you learn. This is the qualification that the project HR people understand and need you to have to work on their sites. Most major Civil Companies now expect their Supervisors to hold this qualification.

This is the starting point for you to advance your career within civil construction. The way to think of it is - this is the first step to having your first company ute, the next step is to become a project manager or construction manager with a cleaner ute but you need to get this

"Excellent Course for supervisors and foreman. You get to better your knowledge around civil and being a supervisor/foreman. This course has taught me to plan ahead to know where you're going and what you want to achieve. I also have more of a health and safety focus outlook. The support processes for assessments were very helpful and precise."
