Who is this course for?

If you have an interest in business or developing your career, this Diploma is great either as a stand alone course or as a dual qualification with a specialist qualification in your industry. Designed for busy working people as well as those looking to career swap or return to work, This business course could be the key to solve your current career frustrations and assist you to advance your career across a wide range of industries.

Where can this course take you?

This online business course covers today's most relevant business topics and can also be your pathway to studying at an Australian University. It covers topics such as administration, human resources management, finances, strategic planning, project management, quality assurance and marketing.

Your Diploma of Business can give you:

- A career with a great company or business
- Formal recognition of your current work and business skills
- University entry without needing Year 12 and you can skip first year of University – straight into 2nd Year business or IT degree

"This qualification has made me a lot more confident. When I am at work and people question me about the processes I have put in place, I can back myself up as I have all the knowledge behind me now."

— Simone Blackmore
