Who is this course for?

If you are already working in HR, then this is your chance to gain practical skills, knowledge and support so that you can develop and implement HR systems in your organisation.

If you are looking for a position in HR, this course will help you stand out and give you the confidence, skills, and tools to apply for these valued professional roles.

Where can this course take you?

This human Resource course will not only accelerate your career but also lead you into a wide range of industries in which you can gain employment opportunities, working in banks, insurance companies, manufacturing or retail firms, hospitals, government departments... You name it!

This qualification gets your previous experience and HR skills formally recognised and proves to employers you have the knowledge and experience to be a HR professional. For entry requirements please visit our website.

"Before I started this qualification, I knew bits and pieces of HR as I had been in this role for 5 years. Completing this qualification has made me a lot more confident. When I am at work and people question me about the processes I have put in place, I can back myself up as I have all the knowledge behind me now... I recommend anyone in my field working with such a wide range and variety of people reach out to get this course completed."

— Simone Blackmore
