## Who is this course for?

Experienced Leading Hands, Supervisors and Foreman. This course is for you. Your course is designed around your work roles and what you do every day, as well as to fit in around your busy work/home life. It will be easy for you to complete this course and get certifications with full support from your Trainers and Completion Coach.

When you complete this Civil Supervisor course you will be able to advance your career with your current company or know that you will now have a better chance of picking up a new job as a Supervisor with another firm.

## Where can this course take you?

Are you looking to develop your Supervisory career in your field of civil construction, civil infrastructure or civil works? To secure a job as a Leading Hand, Supervisor or Foreman on a major project this qualification is a MUST. This is the qualification that the project HR people understand and need you to have to work on their sites. Most major Civil Companies now expect their Supervisors to hold this qualification.

*"Since doing my Cert IV in Civil Construction, I have had good feedback from my employers about promotions and pay rises. The management skills I learned helped me to see more productive ways of doing tasks. I found the RPL process easy to understand and follow instructions."*

— Greg Antaw
