## Who is this course for?

If you are working on your current business or developing your new business idea, this course takes you and your business from where you are now to where you want to be. You will be looking at all aspects of finance, marketing, KPIs, systems and your role in each of these.

## Where can this course take you?

This course will provide you with the skills to develop a Business Plan for the next 2 -5 years, while giving you a greater understanding of business growth strategies and business management skills.

Learn how to:

- Plan Small business finances
- Market your business
- Coordinate implementation of customer service strategies
- Identify potential business opportunities & designing action plans
- Build positive client relationships and business networks
- Coordinate business resources
- Manage business operations
- Employ staff for your business and get them working as a team

*"The course gives you a greater understanding of the way a business runs. I now personally have a greater understanding of bookkeeping and understand how the balance sheets cashflow and profit and loss fit into the total financial look of the business."*
