Who is this course for?

Designed for busy people, you can gain this qualification at your own pace. This course is for those who want to:

- gain new management and leadership skills
- gain recognition for the skills you already have
- move towards a promotion or better job
- fast track to further studies

Where can this course take you?

This qualification will help you gain employment in a wide range of industries.

If you are looking for recognition of your previous experience to be able to move into a new job or industry, having your Certificate IV in Leadership and Management will help you 'stand out' from the crowd. This is a great way to get 'off the tools' and closer to your dream job by showing your employer you are serious about being a leader in their business.

"The qualification backed up what I do day to day. I learned more about company policies and environment factors which I'm now more aware of at work. It was a very accommodating course because it allowed me to do it in my own time and at times which suited me. It did not interfere with my work days and therefore would certainly recommend the training to others. The staff were always very supportive at all times. Excellent."
