Who is this course for?

Are you looking to evaluate and implement compliance across your organisation?

During this course you will understand compliance requirements, quality assurance, as well as initiate, participate and report on quality. You will acquire skills in compliance that will allow you to step into a variety of business compliance roles.

Where can this course take you?

Your pathway into University! Gain entry into 2nd year University (Accounting, Business, Management, IT, or Hospitality studies) or entry into a 1st Year University Degree with over 30 courses to choose from.

Eligibility for a membership with Professional Associations, such as Institute of Managers and Leaders and The Australian Institute of Office Professionals.

"The course content was useful for my position and had practical activities that were relevant to my workplace. The best aspect of the course was the review and process for updates and further integration. It developed on my current knowledge and gave a deeper understanding for process and regulations."
