Who is this course for?

If you are passionate about quality, risk management, best-practice, compliance and have an eye for detail. Whether you are a current Internal Auditor, Internal Compliance Officer, Risk Officer this course will provide you with the skills needed to take the next step in your career.

Where can this course take you?

Complete your assessments on a Quality Management System or Standard eg ISO9001 or Regulation/Legislation like NDIS, Aged Care, HSE, Risk, Food Safety, Health, Environmental... You choose the focus. You can use the workplace documents and materials from your current or past audits and employment, towards your assessments. Becoming qualified in Quality Auditing is now considered a MUST have for a successful career in Quality Auditing and Quality Systems management. Eligibility for a membership with Professional Associations, such as The Institute of Internal Auditors Australia

"I fully recommend you do this course, if you do not have experience with internal audits programs, or even if you do have experience, you can RPL the assessments. I learnt more about contingency planning in Audits and when things may not go according to plan."
